

# Show-N-Go

On Friday March 2 beginning at 5:30 pm (or later, if we experience delays in setting up), we'll have a 3-hour, 2-ring (rally and obedience) do-it-yourself show-n-go open to all breeds. Do-it-yourself means you should plan to set your own jumps or get a friend to help.

**\$5 for 5 minutes; NO FOOD ALLOWED.**

## RESERVE AHEAD

You are welcome to reserve one 5-minute time slot per dog ahead of time on a first-come, first-served basis. Simply fill out the form below and send it in with your check. If we have extra time slots available when the show-n-go starts, we'll make them available to anyone, including competitors who would like an additional time slot with their dog. Note: It would probably be smart to reserve ahead, as we anticipate that all the slots will be filled fairly quickly.

Don't think 5 minutes is enough? Why not reserve two 5-minute slots with a friend, both of you in the ring at the same time, doing two different exercises? (Let us know, and we'll schedule the two of you back to back.)
